All of the wines featured at Committee are made the old-school way: native grapes, traditional winemaking practices, hands-on in the vineyard and hands-off in the cellar. We're proud to only work with family-owned estates (and one amazing cooperative), and we're even more excited to show you the beauty, depth, and unique expression of heritage Greek wines. Enjoy selections from the producers honoring thousands of years of winemaking (and drinking) history in Greece and beyond. Yamas!
