All of the wines featured at Committee are made the old-school way: native grapes, traditional winemaking practices, hands-on in the vineyard and hands-off in the cellar. We're proud to work with only family-owned estates (and one amazing cooperative), and we're even more excited to show you the beauty, depth, and unique expression of heritage Greek wines. Enjoy a glass of something delicious, or turn the page for bottles of wine from producers honoring thousands of years of winemaking (and drinking) history in Greece and beyond. Yamas!
